

## MEMO

To: State Board of Education  
From: Nicole Norvell, Director of Special Education  
Date: February 18, 2013  
Re: Request for approval to initiate rulemaking

New federal special education regulations regarding parental consent for the use of public funds or insurance to pay for special education and related services take effect on March 18, 2013. Revisions to 511 IAC 7-33 are needed to align Indiana's requirements with the new federal requirements. The Department requests Board approval to initiate this rulemaking.
